## Kawneer glazing features on an award-winning building

Architectural glazing systems by Kawneer, including two types of curtain walling, two types of window vents and two types of entrance doors, feature on a multi-award-winning new headquarters for the UK Hydrographic Office. The aluminium Kawneer systems were installed by specialist sub-contractor Dudley's Aluminium for main contractor BAM to a design by AHR global.

**Building:** UK Hydrographic Office

**Architect:** AHR

**Main Contractor:** BAM Construction

**Installer:** Dudley's Aluminium
